

EQUAL OPPORTUNITY

IT'S THE LAW | KNOW YOUR RIGHTS AND RESPONSIBILITIES

It is against the law for recipients of NASA Federal financial assistance, such as educational institutions, nonprofit organizations, and private corporations, to discriminate on the basis of:

Race | Color | National Origin (including limited English proficiency) | Sex | Disability | Age | Retaliation/Reprisal for a Previously Filed Discrimination Complaint

To receive more information or to report discrimination under any program or activity receiving NASA financial assistance, contact:
